

Carrie's Chart Update (5/8/08)

Last Name dropped a spot to the Hot Country Songs chart to #10. But Last Name reached new peaks on most of the other charts it is on including reaching the top 50 of the Hot 100 and the top 40 of the Hot 100 Airplay chart. Last Name's digital sales were up 30% to 13.5K. Total sales are at 77K.

Both Carnival Ride and Some Hearts held steady on the Top Country Albums chart at #7 and #16 respectively. But despite the fact that Carnival Ride only had a small loss in sales and Some Hearts went up in sales, both albums suffered a big drop on the Billboard 200 due to the number of debuting albums. Carnival Ride was down 2% in sales to 14.7K with total sales at 2.058 million. Some Hearts was up 10% to 9.5K and total sales have passed the 6.4 million mark.

All-American Girl's sales were down 13% to 17.4K, putting total sales at 487K. All-American Girl should pass the Gold milestone of 500K next week. Before He Cheats sales drop 12% to 9.6K, but it still passes 2.3 million in total sales.
